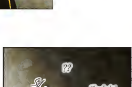
Story & Art: Aru

CHAPTER 15 - THE SOUND THAT WAKES YOU UP II

Ah~
I just crossed up my mind
Today's tea party is over.
It won't be anything more than to kill time if I have a tea party by myself, would it?



MISTY RAIN

Since when was it always 6 o'clock?

So,

For some time... *time* won't do a thing I ask.

Since when was it 6 o'clock, and...

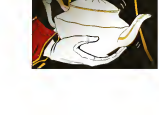
Until when will it be 6 o'clock?

Since the world is a mess because our core disappeared...

MISTY RAIN

My time is stopped, as it should, and
I will have to continue the tea party that will never end!
Wait, will time return to me if the core comes back?

MISTY RAIN



Cf.

- In [Alice in Wonderland], after a sigh, Hatter says the following in a mournful tone:
"He [time] won't do a thing I ask! It's always six o'clock now."
For Hatter, it's always 6 o'clock. Since he has no time to wipe the tea cups clean, he has to move his seat whenever he's done using a cup.
